HOW IT WORKS

- *You will need to ENROLL FOR OUR VIRTUAL LESSONS by completing the Virtual enrolment form emailed to you.
- *You will then receive our Virtual Dance Handbook with instructions on how to access your class. This also contains instructions on how to set up your Zoom account and screen, so you have the best virtual dance experience.
- *When it comes time for your lesson, use the link and password sent to you via email. YOU WILL NOT HAVE ACCESS UNTIL YOU COMPLETE THE ENROLMENT FORM.
- *You will be billed monthly upfront until we can go back to our physical dance studio.
- *Join in and most importantly have fun!
